The UAA Hockey Alumni Association (UAA HAA) is working with the Seawolf Athletic Association to promote UAA Hockey. All money raised by UAA HAA stays with the association and is allocated at the board's discretion only to support UAA Hockey. The booster club is a non-profit organization and gifts made to it are tax deductible by the donor to the extent allowed by law in computing net income. The Internal Revenue Service Ruling 86-63 has ruled that receipt of consideration in the form of tickets or other privileges raises a presumption that the payment is not a gift. Therefore, each donor should consult with his or her tax advisor concerning the deductibility of the contribution.

NOTE

The Department of Athletics is required to notify you (Bylaw 6.4.2.1) that engaging in conduct that is determined to be a violation of NCAA legislation may result in benefits and privileges of membership or sponsorship being withheld. This would include withholding the benefit and privilege from a party to the agreement and any other person who may be entitled to a benefit or privilege under the terms of the agreement.
